

Field 6 Trench W4400

The W4400 is a compact Trench tool capable of welding from 1½" - 6" as well as 2x3 & 4x6 Poly-Flo. The equipment features an electric planer and heating element and hydraulic driven clamps. The Hydraulic unit also serves as the control box and power supply box.

The W4400 breaks down to 3 clamps and its compact design makes it the ideal tool for trenches.

Size Range: 1½" – 6" (50 mm – 160 mm)

Amperage: 20 Amp.

Voltage: 220 AC / 1 PH

Part Number: 5792000

Available for Rental

Part Number: 9792000

Includes:

Base tool with 160mm Master clamps

Inserts: 50, 63, 75, 90, 110mm
